

First International Conference on Computer, Computation, and Communication (IC3C-2025)

28-29 March 2025

Hybrid Mode

CSI College Of Engineering, Ooty, Tamil Nadu, India

Call For Papers

Department of Electronics and Communication Engineering, CSI College of Engineering (CSICE) organizes the First International Conference on Computer, Computation, and Communication (IC3C-2025) an innovative gathering in **hybrid mode**. The "First International Conference on Computer, Computation, and Communication (IC3C)" seeks to unite professionals, scholars, researchers, and experts from all over the world in order to explore the most recent developments and trends in the domains of computer science, computation, and communication technologies. In a time when the nexus of various fields is vital in determining the direction of technology and society, this conference provides a forum for information exchange, networking, and cooperation. **All the accepted and registered papers of IC3C 2025 will be published as conference proceedings by River Publisher which is indexed in both Web of Science and SCOPUS.**

The paper can be submitted to any of the three tracks as below (but not limited to)

1. Computer: Artificial Intelligence and Machine Learning, deep learning, Image Processing, Medical Imaging, Healthcare Technology, natural language processing, and reinforcement ,Big Data and Data Science, Cloud Computing and Edge Computing, Cybersecurity and Cryptography, ,Quantum Computing, Blockchain etc.

2. Computation: VLSI Circuits and Systems, RF Circuit Design and Testing, Emerging Trends in VLSI, Reconfigurable Systems, System on Chip, Heat Dissipation Analysis, Design of MEMS Devices, Optical MEMS Devices, Analog / Mixed Signals, RF Circuit Analysis, Nanotechnology, Thin film and Devices and Solar Photovoltaics.

3. Communications : Antenna Engineering, Waveguide and Filter design, Microwave Compatibility, Electromagnetic Interference, Body Area Networks, Wireless Sensor Networks, LTE and 5G Networks, Wireless and Mobile Networks, Ad hoc and Mesh Networks, 5G/6G networks, IoT, and network optimization

Important Dates

- Paper submission deadline:** Friday, February 20, 2025
- Acceptance notification:** March 1, 2025 and on rolling basis as the review is completed.
- CRC submission deadline:** March 10, 2025
- Last date for registration:** March 9, 2025
- Conference dates:** March 28-29, 2025 (Friday & Saturday)

Registration Fees

Author	Student Author (UG/PG/Ph.D)	Regular Author (Academics/Industry)	Regular Attendee
Indian	INR 12,500	INR 13500	INR 3000
Foreign	USD 250	USD 350	USD 150

Extra Page is charged at INR 1500 per page for Indian author and USD 16 per page for foreign author.

Publications

All the accepted and registered papers of IC3C 2025 will be published as conference proceedings by River Publisher which is indexed in both Web of Science and SCOPUS. All the accepted, registered and presented papers will be forwarded for possible indexing in web of science and Scopus database by the River publishers. Authors are invited to submit technical papers of 5-6 pages in length, written in English. **The paper must be strictly prepared as per the River Publishers conference proceedings template. The paper template can be downloaded from this link directly <https://www.riverpublishers.com/authors.php>**

Few selected, registered, and presented papers will also be considered as a potential book chapters for the following book:

- "AI-Driven Analytics for Optimized Information Systems" a Scopus indexed book by "World Scientific".
- "Green Cybersecurity Ecosystems: Sustainable Approaches for the Modern World" a Scopus indexed book by "CRC Press Taylor & Francis Group".
- "Enhancing Hybrid Nanodevice Fabrication Efficiency using Machine Learning" a Scopus indexed book by "Scrivener Publishing by Wiley".
- "Cognitive Intelligent Systems in Sustainable Engineering: Innovations in Concepts, Architectures, and Real-World Applications" a Scopus indexed book by Nova

Paper can be submitted through CMT :- <https://cmt3.research.microsoft.com/IC3C2025>
